# Parent's Code of Conduct

As the parent of a child participating in the Wentworth Ball Program, I understand that I, too, have a responsibility to maintain an enjoyable atmosphere for all who come to the ball field each week. As such, I do hereby agree to the following conditions:

- I will not force an unwilling child to participate in sports
- I will teach my child that honest effort is as important as a victory, so that the result of each game is accepted without too much disappointment
- I will remember that children learn best by example and that begins with my behavior
- I will applaud good plays by my child's team and by members of the opposing team
- I will never ridicule or belittle any player, coach or official
- I will encourage my child to play by the rules
- I will try to turn a defeat into a victory by helping my child work towards improving his/her play on the field and encouraging him/her to show good sportsmanship at all times
- I will never ridicule or yell at my child for making a mistake or losing a game
- I will not publicly question the official's judgment
- I will recognize the value and importance of volunteer coaches and officials. If I am dissatisfied with a coach, I will talk with him or her privately and away from children and always in a respectful manner
- I will strive to maintain a realistic expectation about each game and my child's participation in them
- I will remember that I am a youth sport parent, and that the game is for the children, not the adults
- I will conduct myself in an appropriate manner at all times while on the Wentworth premises and understand that my conduct, whether through my actions or my words, will be watched closely
- I will ensure that all siblings, friends or other relatives who are in my party will also conduct themselves in an appropriate manner at all times
- I will not allow children under my care to wander the premises unsupervised
- I understand that should anything I say or do be deemed inappropriate while on the Wentworth School premises, may result in my being asked to leave and not be allowed to return and that this will also be true of anyone in my party who likewise acts inappropriately
